Dear Parents and Guardians

I am happy to introduce to you The BVI's Youth U-Turn Project ("U-Turn"), an initiative supported by the Ministry of Education.

**The Mission** – *'develop and provide quality programmes through dialogue, music and art that will promote the mental and emotional wellness of youths in the BVI, and aid them in fulfilling their responsibilities as outlined within the Virgin Islands National Youth Policy and Strategic Framework'.*

**The Vision** – *'Supporting Our Youths to Make a U-Turn for the Better!'*

The various activities that will be developed for the youths to become involved in include mentorship programs, music projects and skills-based activities, in line with the mission and vision. I will be liaising directly with the principals and guidance counsellors within your child's school whom will assist in identifying the students that may benefit from the various initiatives.

I would be grateful for you to support your child's participation by completing the attached form and noting your child's skills/interests. You may return the form to the Counsellor at your child's school. Alternatively, please email the form to [admin@u-turnbvi.com](mailto:admin@u-turnbvi.com)

For more information please call: 284-440-3215      ***Thank you for your support!***

Sincerely yours

**Dr Adelle Paul**
